## Drawing: Prisoner with Crutches

Drawing by Per Ulrich, pencil and ink. Ulrich added the following comment: "A Greek N.N. prisoner. [N.N. is the abbreviation for "Nacht und Nebel", the so-called 'night and fog' campaign.] N.N. prisoners were forbidden any contact with their countries or their families." Per Ulrich, a former prisoner from Denmark, was imprisoned in Neuengamme from mid-March 1945 until April 1945.
