The internees' physical characteristics were recorded on the front sides of these sheets, while additional biographical details were noted on the back. These particular reports also state the reasons for the arrest: Work for the Security Service (SD), employment at Neuengamme concentration camp, plundering of Jewish-owned goods.

Female Internees

For a while during 1945, women were interned in Neuengamme as well. Most of them were former employees of the SS. This shot, taken by a British officer in May 1945, shows female internees outside the former "Special Hut" (*Sonderbaracke*).
